Dear Ms. Highe,

On behalf of the Lucile Packard Foundation for Children's Health, thank you for your continued support of the Teen Health Van through the Bill and Dave Charity Golf Classic. We are so grateful to have been the event's exclusive beneficiary for the past 19 years and for the resulting \$585,000 of support for the Hospital. As a result of your long-standing relationship and generosity, the Foundation was pleased to provide the Golf Classic with "fiscal sponsorship" starting in 2013, to further aid in your fundraising activities. We are thrilled to be celebrating the 20<sup>th</sup> anniversary of the Golf Classic with you this year.

If it were not for dedicated community fundraisers like you, and successful third-party events like the Bill and Dave Charity Golf Classic, we would not be able to provide the care that we do. Your support of the Teen Health Van allows us to provide expert care for our community's high-risk kids and young adults ages 10 to 25. The multidisciplinary staff of the Mobile Adolescent Health Services program, one of Lucile Packard's Community Partnership programs, provides custom-designed care for those who rely exclusively on the Teen Health Van as their only link to a network of services and knowledge they urgently need.

Lucile Packard Children's Hospital Stanford is the heart of Stanford Children's Health, and is one of the nation's top hospitals for the care of children and expectant mothers. We are the only children's hospital in Northern California with specialty programs ranked in the *U.S. News & World Report* Top 10 for 2013-14, and the only hospital in Northern California to receive the national 2013 Leapfrog Group Top Children's Hospital award for quality and patient care safety.

Please know how grateful we are for your continued generosity. Feel free to reach out to me directly if you have any additional questions.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Witte". The signature is fluid and cursive.
